DMYC 50th Anniversary Cruise-in-Company south to Kinsale and then on to the Scillies - and home.	4 to 17 July	This long cruise is designed to take advantage of short hops and the long hours of daylight down to Kinsale. If weather conditions are very, very favourable some of us - with a good forecast - may plan to sail to the Scillies to meet up with Barry and Denis and Alan and crew on their return leg from France. We return via Milford Haven and Arklow. If weather conditions are not so favourable or otherwise then some will propose to continue on west to Baltimore to visit the many beautiful places in West Cork such as Glandore, Schull etc; returning the same way. Special prizes for rounding the Mizzen, Co Cork.
Volvo Dun Laoghaire CC Regatta	9 to 12 July	This Combined Dun Laoghaire Clubs Regatta is the major yachting event on the East Coast in 2015.
DMYC 10 day cruise to either: a) North. or b) Menai.	Saturday 1st August to Sunday 9th August	<u>North cruise:</u> We aim to visit Skerries and with optional stopovers at Carlingford and Ardglass. Then we enter Strangford Lough for 4 days and home via IoM; stopping off either in Peel or Port St Mary. <u>Menai cruise:</u> First stop Holyhead then north around Anglesea and down the Menai, Caernavon, Pilots Cove, Port Dinllan and home.

¹ The over-arching aim of the cruises is to ensure safety of all as the overriding factor and at the same time that the planning guarantees - as far as is possible - enjoyable sailing and avoiding punishing weather encounters.

² All timing is provisional and subject to weather; to be verified closer to date. An *early* indication by skippers of their interest and/or comments to be forwarded to Karin at office@dmyc.ie using the attached form.

[New member's comments especially welcome!](#)

³ It is based on the proposition that all destinations have good restaurants/watering places. All final details will be agreed and concluded at a club conference three days before our departure.

⁴ [Racing boats will be able to join in the cruises to local ports \(Greystones and Malahide\) after racing ends.](#)
